

Mr. Rossettini,

We have a program that you and your band team might be interest in:

How to earn for band fees in June, July, & August

For The Students Family:

If the band students bringing their family to eat at the Cheryl Restaurant on any days between now and before next school year starts, they will receive to their band account 20% of their total check amount when they come in.

Students & The Community:

Tuesday, Wednesday, and Thursday for band students to earn their money.

- 1) In the months of June, July, & August, the students will select a Tuesday, Wednesday, or Thursday for their fundraising. One day for each month.
For example, Ryan selected June 29, July 13, and August 11 for his fundraising. He will ask his families, friends, families around his neighborhood, teachers, church members, etc to go eat at Cheryl Restaurant on those dates he selected. He can earn 20% of their total checks for his band account.
- 2) Each student must let people know to mention their name so we can keep track of their visit.
- 3) To confirm the date the band students selected, they must email me their name, phone numbers, and their email address to Hung@CherylRestaurant.com

The top 5 students that earned the most funds will receive an extra 10% for their hard work. We will post the students' ranking on our website at www.CherylRestaurant.com

Students: Please email Cheryl Restaurant by May 31, 2010.

Thank you for your time,
Hung Ngo
